## NUTRITIONAL MENU GUIDE

JUNE 2016

### Eat Smart & Live Well

---

Eating with us is all about having a choice, with a menu that offers a wide variety of delicious decisions, including many of Ruby Tuesday's Smart Eating dishes that are lower in calories, fat, or carbohydrates.

Because many of our guests want to know more about the food we serve, we have created this menu guide. It has information about calories and other nutritional measures. As our recipes and ingredients change, we will update this information. We hope you find it useful, and we welcome your feedback.

Note: The \* on the menu denotes items that are cooked to order. Notice: Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of food-borne illness, especially if you have certain medical conditions.

Note: Nutrition information does not include any side items or dipping sauces served on the side. Nutrition information is for one serving and is based on lab analysis of food products prepared in our test kitchen or by our suppliers. Due to food preparation techniques, amounts may vary.

Ruby Tuesday strives to ensure that every guest has a great dining experience, and that includes those with special dietary needs and medical requirements. For this reason, we have prepared this menu based on information obtained from our food suppliers. Every effort is made to keep this information current and accurate. However, ingredient changes may occur due to substitutions, preparation variation, and regional availability of products.

We encourage you to use this menu as a tool to help you make your dining choices and not to the exclusion of professional medical advice tailored to your specific needs. We will update this menu as our menu selections, ingredients, and/or preparation techniques change. Please visit our website often for the most current nutrition information available. Limited time offers have not been included in this menu.

This menu is developed from our system menu selections. Nutritional information may not be available online for restaurants that are operating under a non-system (test or high volume) menu. Please consult a manager during your visit to determine if the restaurant is using a system or non-system (test or high volume) menu.
